Tucano

Product Manager and Business Consultant

giugno 2016 - luglio 2020 (4 anni 2 mesi)

Milano, Italia

I'm currently working as a consultant for Tucano, between Milano and Dongguan.

My main duties are:

- Product Manager for Mobile consumer electronics products.
- Study of Markets and Competitors.
- Reference point for promotional B2B orders.
- Assistance in the decision-making process.

I also developed a good knowledge of materials, development of prototypes (being in direct contact with the sample room) and good problems solving related to massive production.

MyStyle s.r.l.s

5 anni 3 mesi

Ceo & Products Manager of Mystyle
marzo 2015 - maggio 2020 (5 anni 3 mesi)

Dongguan City, China

As Mystyle works directly with the best and most certified manufacturers I moved to China to do a constant research to offer the best solutions and follow all the processes starting from:

Design, development and creation of new molds
maggio 2016 - aprile 2020 (4 anni)

I follow all the processes that bring ideas to life, starting from design, engineering and development of new molds. I'm expert about injection molding with strict requirements and complex design.
I have successfully made molds for famous brands with well-recognizable design products.

Research and development of new Electronics Products, Technologies and Raw Materials

aprile 2016 - aprile 2020 (4 anni 1 mese)

I attended all the fairs of Technology, Electronics, Design and Fashion between Hong Kong, Shenzhen, Guangzhou, Dongguan and Shanghai in the last two years.

As we consider Mystyle a manufacturer, I'm always looking for new materials for Injections Molding (PC, ABS, TPU, TPE), and Fabrics materials with special features for bags and backpack and trolley.

I'm now 100% focused on rPET and all kind of recycled, eco-friendly and Environmental friendly materials.

Quality Control and Certificates

aprile 2016 - aprile 2020 (4 anni 1 mese)

Dongguan City, China

I'm expert QC for Mobile Consumer Electronics products (like Powerbanks, Speakers, Cables, Phone & Tablet Cases, Bags, Backpacks, Trolley, Led Light, Wall adapters) with good competence regarding the certifications requested by countries to sell safely your products (like CE, ROHS, FCC, FCE PSE, KC, UL certificates).

FOUNDER

marzo 2015 - marzo 2015 (1 mese)

Billium, India

I am the founder of MyStyle: a young and dynamic reality who operates in the technology field.

I've always been passionate about technology and the constant seek of innovative and advanced technological products since I was a child. I proudly founded this company in Milano with the air of expanding in China for a direct control of production to reach markets and customers all over the world.

TECHLABMILANO

Co-Founder

dicembre 2016 - gennaio 2020 (3 anni 2 mesi)

Milano, Italia

I'm the co-founder of TechLab Milano.

It's a flagship store in the city center of Milan, focused on the sale of different kinds of technological products mostly developed by us.

Basically we use this store as a showcase of the products that are offered by MyStyle s.r.l.s.

Moreover in our shop we offer the possibility to purchase the most innovative products which are developed by different kinds of start ups around the world. Most of these devices have been launched on crowdfunding platforms such as Kickstarter and Indiegogo.

Giorgio Armani

Store Manager

settembre 2015 - febbraio 2016 (6 mesi)

Via Manzoni 31/A Armani Milano

I was the store manager at iStuff Milano inside ARMANI STORE in Via Manzoni 31 in Milano.

My main duty was to manage the store and to coordinate all the employees. Thanks to this experience I improved my customer relation skills as well as my management capabilities. Moreover, I improved my knowledges regarding the development of advanced technologies and the logistics process involved in the purchase of them.
