Enthusiasm, initiative and flexibility are qualities that have always aided me in moving forward both in my working as well as my academic career. My approach to personal and professional development is to always set myself objectives that I strive to achieve.

Furthermore, I adjust myself with ease to new and challenging working environments where I like to fully commit myself in order to solve my tasks efficiently. I am adventurous and I do not get discouraged when I face obstacles, indeed this only motivate me more to work harder.
